PVPS-2023-07

10 March 2023

Dear Parents/Guardians,

## Principal's Message

Warm Greetings from Park View Primary School! We have come to the end of Term 1 and I would like to commend all our students for starting the year off right and well.

2. With the standing down of Safe Management Measures, we have returned to normalcy, but at the same time also kept some of the good hygiene practices in school. I would like to encourage all students to continue the good habits of wiping down after meals and practicing social responsibility.

3. Term 1 has seen a series of exciting events taking place. We are in the midst of the National School Games, various Learning Journeys and we have also just concluded our signature Budding Chef Programme for the P2s. And these are just a few mentioned. There have also been other meaningful activities that took place that are all part of the Park View Experience. All which have been carefully and purposefully planned for our students so that they can experience the joy of learning in and out of the classrooms. Our students have achieved much this term and you can share in our joy for the Park View family, as shared below in the "Accolades and Achievements".

4. We will have more events and programmes lined up, one new one which I would like to share with you. With the removal of the Mid-Year Examinations this year for all levels, there is greater space and time for our students to experience and consolidate their learning in different ways. As such, we will be having our very first Learning Festival @ Park View at the end of Term 2, as a way to close off the first half of the year. We hope to be able to promote the love of learning and empower our students in their learning by providing this opportunity for them to engage in hands-on activities in an authentic setting. We will share more details soon, so do look out for this inaugural event in Term 2!

5. As we move into Term 2, please find attached the Calendar of Events to help you and your child plan for the term ahead. Let us continue to work together to help our students continue to grow and excel! We do hope you will be able to take some time as well to recharge with your children and we look forward to welcoming our students back in Term 2.

6. On behalf of the Park View family, we wish you a restful Term break.

Yours sincerely,

Miss Jamie Lie  
Principal

## B. DELIVERY OF FOOD

Should you need to deliver packed lunch to your child/ward after school in view of after-school activities, the food should be given to staff on duty or security guard at the main gate (Gate A). The packed lunch should be labelled with your child's/ward's name and class. Please inform your child/ward to collect the food from the security guard post.

## C. RESPONSIBILITY FOR PERSONAL BELONGINGS

The school would like to work with all parents to help your child/ward grow to be more responsible and independent. If your child/ward has forgotten to bring his/her belongings (e.g. books, files, stationery and homework) to school, please note that you **do not** need to make a trip to hand the item to your child/ward. If the item is required urgently, your child/ward's teachers will contact you. Through this experience, your child will learn the value of responsibility in actions and acquire problem solving skills. It will be good for them to inculcate the habit of packing their bags the night before school. If your child/ward forgot to bring food or money for his/her recess, they may approach the staff at the General Office for help. For urgent items such as medications, please contact the school at 65851421 for assistance.

We would also like to inculcate responsibility and ownership in students for their personal belongings. Please remind your child/ward to label and take care of their personal belongings. They should avoid bringing expensive items or excessive cash to school.

## D. REQUEST FOR EARLY DISMISSAL/PICK-UP

If you need to arrange to pick up your child/ward before the official school dismissal time for reasons such as medical appointment, please inform the Form Teacher of your child/ward at least 1 day in advance. Parents are required to report to the General Office to pick up your child/ward for early dismissal. Our students will not be permitted to leave school on their own during school hours for safety reasons. Please inform your child/ward to report to the General Office at the arranged timing for any early dismissal arrangement.

## E. ROAD SAFETY AND TRAFFIC MATTERS IN SCHOOL

For the safety of your child/ward and yourself whilst crossing the road, we would like to request all parents/guardians and students to use the overhead bridge in front of our school along Pasir Ris Drive 1 whenever you cross the road to our school's Gate A.

We would like to bring your attention to the following traffic measures that the school has put in place:

- Parents/guardians are to alight their child/ward at the designated drop-off/pick-up point in the morning. Please follow the directions as guided by the school staff.
- Parents/guardians are encouraged to get your child/ward ready with the pocket money or lunch box before he/she leaves the home. Let your child/ward have his/her school bag ready with them when the vehicle moves to the designated drop-off/pick-up point to avoid holding up traffic. **Do adhere to the drop-and-go.**

We look forward to maintaining good traffic management and your continuous support in keeping the school safe for our students.

## F. DAILY ATTENDANCE MONITORING

Here is a gentle reminder that all students should be at the classroom/school hall for assembly and flag-raising ceremony before 7.30 a.m. Students who arrive after 7.30 a.m. will be considered late for school.

Please be informed that if your child/ward is not present during the attendance-taking, you will receive the following SMS notification at **8.45am** with the following message:

"Dear Parent/Guardian, your child/ward is not in school today. Please contact the General Office at 6585 1421 for clarifications if any. Thank you."

Should you receive the SMS, please follow up with your child's/ward's Form Teacher on the reason for absence and submit the respective supporting document such as medical certificate (MC) or doctor's memo, etc. the next day when he reports to school.
