PVPS-2025-17

19 November 2025

Dear Parents/Guardians,

Principal's Message

Greetings from Park View Primary School!

As we draw the curtain on another vibrant year at Park View, we find ourselves looking back at the many moments that shaped 2025. Our students have stretched, grown and surprised us in all the best ways — from the spirited energy of the National School Games to the curiosity and creativity that filled our Learning Festival and countless other school experiences. These memories, big and small, have been gathered in this year's PVPS Yearbook. I hope that as you flip through its pages, you'll feel the familiar spark of pride, delight and gratitude for the journey we've shared.

With the year winding down, the upcoming break offers all of us a gentle pause. I encourage our students and families to use this time to rest, recharge and enjoy each other's company. On behalf of the school, thank you for the wholehearted support you have given throughout the year. Your trust and partnership have been essential in helping us guide our students as they grow into Leaders of Character, ready to meet the world with empathy, confidence and curiosity.

As 2025 comes to a close, we also take a moment to express our appreciation to several members of our Park View family who will soon be embarking on new chapters.

- Ms Lim Chiu Ee, our Vice-Principal (Admin), will be joining Maha Bodhi School on 15 December. Her care, diligence and steady presence have been a gift to our community.
- We also extend our warm wishes to three members of our Key Personnel Team: Mrs Hazel Cheong (Year Head/Lower Primary), Mr Jerry Chua (HOD/PE) and Mrs Ong Cui Ling (HOD/CCE). Each has contributed meaningfully to shaping the school we are today, and we are grateful for the heart and dedication they have poured into PVPS.

Please join me in wishing them every success and fulfilment in their new endeavours.

As we look toward the fresh possibilities of 2026, I am confident that Park View will continue to be a place where our students feel inspired, supported and ready to thrive. May the holidays bring rest, joy and treasured moments with your loved ones.

Wishing everyone a refreshing break, and here's to the discoveries and adventures that await in the new year!

Yours sincerely,

Ms Jamie Lie

C. PRICE REVISION FOR CANTEEN FOOD FROM 2026 ONWARDS

In response to rising ingredient costs that canteen stallholders face when preparing nutritious meals for our students, the school will implement a canteen price revision in 2026.

Following a comprehensive review of current food pricing, the school has approved modest price adjustments of 10 to 30 cents for selected food items, meals, and beverages. This revision reflects the actual cost of ingredients whilst enabling stallholders to maintain reasonable profit margins necessary for business sustainability. The adjustments will help ensure our canteen operators can continue providing quality, healthy meals whilst keeping food affordable for students.

To support students from lower-income families, MOE will concurrently increase meal subsidies under the School Meals Programme for primary and secondary students receiving MOE Financial Assistance Scheme (FAS) support from 2026 onwards.

The school remains committed to balancing the need for sustainable canteen operations with affordable, nutritious meal options for all students.
